

**INDIANA CREDIT UNION LEAGUE POLITICAL ACTION COMMITTEE  
PERMISSION AGREEMENT FOR SOLICITATION**

Indiana Credit Union League Political Action Committee (INCULPAC) is the federal political action committee (PAC) of the Indiana Credit Union League (ICUL) and our primary means of supporting pro-credit union candidates for federal office. However, before ICUL or the Credit Union National Association (CUNA) can share further information about INCULPAC and how your credit union can participate in our efforts, federal law requires that your credit union grant INCULPAC “prior approval” each calendar year by signing the below:

This credit union, recognizing the necessity of political action, hereby authorizes ICUL and/or CUNA to solicit this credit union’s members and/or its executive or administrative personnel for contributions to INCULPAC and/or the Credit Union Legislative Action Council (CULAC), CUNA’s federal PAC.

The ICUL and INCULPAC are affiliated with CUNA and its PAC, CULAC. Pursuant to federal law, affiliated organizations and committees may work jointly to solicit contributions and support candidates for public office.

The credit union may only grant such prior approval to one trade association per calendar year. This credit union grants its permission to ICUL/CUNA for each of the years indicated below, effective January 1, 2020. The credit union has not approved a solicitation from any other trade association for these years.
